

Western Cape Industrial Symbiosis Programme
Summary Report

WISP Synergy Workshop
Meerendal Wine Farm - Durbanville
14 August 2013

On this day, **41 companies** participated in a unique WISP synergy workshop. **Over 316 resources** were discussed and **590 potential matches** were captured!

Using the idea of **Industrial Symbiosis**, delegates identified beneficial innovative partnerships **from under-utilised resources**. WISP thanks speakers Jenny Cargill of the Western Cape Government, Radha Daniel of International Synergies Limited and Gerard Schrieff of Consol Glass.
