The Jobs Fund will be hosting provincial briefing sessions on its new funding round

The Innovation Funding window will accept proposals from 16 November 2015. The funding round closes for applications at 15h00 on 1 February 2016. This window essentially aims to fund any business that will create jobs in an innovative manner. Interventions must focus on projects that have potential to create jobs on a large scale and promote broader systemic impact.

The sessions aim to provide prospective applicants with information about the Jobs Fund, project selection criteria and the application process.

The team will do a short presentation and thereafter will be available to provide guidance to potential applicants.

For more information on the application process please visit www.jobsfund.org.za
